INFORMATION CIRCULAR
as of June 8, 2016 (unless otherwise noted)

MANAGEMENT SOLICITATION OF PROXIES

This Information Circular is furnished to you in connection with the solicitation of proxies by management of TNR Gold Corp. (“we”, “us” or the “Company”) for use at the Annual General Meeting (the “Meeting”) of shareholders of the Company to be held on Wednesday, July 13, 2016, at 10:00 a.m. at the Company’s offices located at 620-650 West Georgia Street, Vancouver, B.C., and at any adjournment of the Meeting. The Company will conduct its solicitation by mail and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or other personal contact. We will not specifically engage employees or soliciting agents to solicit proxies. We do not reimburse shareholders, nominees or agents (including brokers holding shares on behalf of clients) for their costs of obtaining authorization from their principals to sign forms of proxy. We will pay the expenses of this solicitation.

APPOINTMENT OF PROXY HOLDER

The persons named as proxy holders in the enclosed form of proxy are the Company’s directors or officers. As a shareholder, you have the right to appoint a person (who need not be a shareholder) in place of the persons named in the form of proxy to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the form of proxy and strike out the other names or complete and deliver another appropriate form of proxy.

A proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

VOTING BY PROXY

The persons named in the accompanying form of proxy will vote or withhold from voting the shares represented by the proxy in accordance with your instructions, provided your instructions are clear. If you have specified a choice on any matter to be acted on at the Meeting, your shares will be voted or withheld from voting accordingly. If you do not specify a choice or where you specify both choices for any matter to be acted on, your shares will be voted in favour of all matters.

The enclosed form of proxy gives the persons named as proxy holders discretionary authority regarding amendments or variations to matters identified in the Notice of Meeting and any other matter that may properly come before the Meeting. As of the date of this Information Circular, our management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any amendment, variation or other matter properly comes before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their judgement.

You may indicate the manner in which the persons named in the enclosed proxy are to vote on any matter by marking an “X” in the appropriate space. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. **In that case, the proxy holders nominated by management will vote the shares represented by your proxy in accordance with their judgment.**

RETURN OF PROXY

You must deliver the completed form of proxy to the office of the Company’s registrar and transfer agent, Computershare Investor Services Inc., Proxy Dept., 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, FACSIMILE (within North America) 1-866-249-7775 (outside North America) (416) 263-9524, by fax, hand or by mail or to the Company’s head office at the address listed on the cover page of this Information Circular, not less than 48 hours (excluding Saturdays, Sundays, and holidays) before the scheduled time of the Meeting or any adjournment. Voting by telephone and internet is also available by following the instructions on the proxy.

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only shareholders whose names appear on our records or validly appointed proxy holders are permitted to vote at the Meeting. Most of our shareholders are “non-registered” shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a “**Nominee**”). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as “NOBOs”. Those non-registered Holders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as “OBOs”.

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting Materials, being the Notice of Meeting, this Information Circular, and the form of proxy directly to NOBOs and to the Nominees for onward distribution to OBOs. **The Company does not intend to pay for a Nominee to deliver to OBOs, therefore an OBO will not receive the materials unless the OBO’s Nominee assumes the costs of delivery.**

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting Materials sent to non-registered holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “**VIF**”). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIF’s, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the Shares which they beneficially own. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Company or its Nominee, as applicable, without expense to the non-registered holder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting.** Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

REVOCACTION OF PROXY

If you are a registered shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) signing a proxy bearing a later date; or
- (b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of the Company's registrar and transfer agent or to the Company's head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment, or to the Chairman of the Meeting on the day of the Meeting or any adjournment.

If you are a non-registered shareholder who wishes to revoke a VIF or to revoke a waiver of your right to receive Meeting materials and to give voting instructions, you must give written instructions to your Nominee at least seven days before the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the adoption of the Company's stock option plan, approval of which will be sought at the Meeting. Directors and executive officers of the Company may participate in the Company's stock option plan, and accordingly have an interest in its approval. See "Particulars of Matters to be Acted Upon".

Oversight and Description of Director and Named Executive Officer Compensation

Director compensation

The Board, with input from the Compensation Committee, determines director compensation from time to time. Directors are not generally compensated in their capacities as such but the Company may, from time to time, grant to its directors incentive stock options to purchase common shares in the capital of the Company pursuant to the terms of the Stock Option Plan and in accordance with the policies of the TSX Venture Exchange.

Named Executive Officer Compensation

The Board, with input from the Compensation Committee, determines executive compensation from time to time. The Company does not have a formal compensation policy. The main objectives the Company hopes to achieve through its compensation are to attract and retain executives critical to the Company's success, who will be key in helping the Company achieve its corporate objectives and increase shareholder value. The Company looks at industry standards when compensating its executive officers.

During the financial year ended December 31, 2015, Mr. Schellenberg's compensation as CEO and President consisted of \$90,000 under the Consulting Agreement described above. During the financial year ended December 31, 2015, Mr. Bella's compensation as CFO consisted of \$60,000 under the Consulting Agreement described above. During the financial year ended December 31, 2015, Mr. Klip's compensation as Non-Executive Chairman consisted of \$90,000 under the Consulting Agreement described above.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Company has an incentive stock option plan under which stock options are granted. Stock options have been determined by the Company's directors and are only granted in compliance with applicable laws and regulatory policy. The policies of the TSX Venture Exchange (the "Exchange") limit the granting of stock options to employees, officers, directors and consultants of the Company and provide limits on the length of term, number and exercise price of such options. The Exchange also requires annual approval of stock option plans by shareholders. The Company will propose that its stock option plan be ratified and approved by shareholders at the Meeting.

The following table sets out equity compensation plan information as at the end of the financial year ended December 31, 2015.

PARTICULARS OF MATTERS TO BE ACTED ON

Shareholder Approval of Stock Option Plan

The only equity compensation plan which the Company currently has in place is the 2015 plan (the “**2015 Plan**”) which was previously approved by shareholders on August 6, 2015. The 2015 Plan was established to provide incentive to employees, officers, directors and consultants who provide services to the Company. Exchange policy requires that all companies listed on the Exchange adopt a stock option plan if a company wishes to grant stock options and that all stock option plans that reserve a maximum of 10% of the issued and outstanding share capital of the Company at the time of grant (called a “rolling plan” under Exchange policies), must be approved and ratified by shareholders on an annual basis in accordance with Policy 4.4 of the Exchange.

Management seeks shareholder approval for renewal of the 2015 Plan, as the Company’s 2016 plan (the “**2016 Plan**”) in accordance with and subject to the rules and policies of the Exchange. The intention of management in proposing the 2016 Plan is to increase the proprietary interest of employees, officers, directors and consultants in the Company and thereby aid the Company in attracting, retaining and encouraging the continued involvement of such persons with the Company. It is proposed that under the 2016 Plan, the total number of common shares that may be reserved for issuance will be 10% of the issued and outstanding common shares of the Company at the time of grant, less any common shares reserved for issuance pursuant to the grant of stock options under any other share compensation arrangements. The 2016 Plan complies with the current policies of the Exchange. The 2016 Plan is subject to approval by the Exchange.

Terms of the 2016 Plan

A full copy of the 2016 Plan will be available at the Meeting for review by shareholders. Shareholders may also obtain copies of the 2016 Plan from the Company prior to the Meeting on written request. The following is a summary of the material terms of 2016 Plan:

1. The options are non-assignable and non-transferable (except that the Optionee’s heirs or administrators can exercise any portion of the outstanding option, up to one year from the Optionee’s death).
2. The number of shares subject to each option is determined by the Board of Directors provided that the 2016 Plan, together with all other previously established or proposed share compensation arrangements may not, during any 12 month period, result in:
 - (a) the number of options granted to any one Person exceeding 5% of the issued shares of the Company; or
 - (b) the number of options granted to any one Consultant exceeding 2% of the issued shares of the Company; or
 - (c) the number of options granted to all Persons retained to provide Investor Relations Activities of a number shares exceeding 2% of the issued shares of the Company.

3. The exercise price of an option may not be set at less than Discounted Market Price.
4. The options may be exercisable for a period of up to 10 years, (subject to extension where the expiry date falls within a “blackout period”).
5. Disinterested shareholder approval will be obtained for any reduction in the exercise price if the Optionee is an Insider of the Company at the time of the proposed amendment.
6. For stock options granted to Employees, Consultants or Management Company Employees, the Company and the Optionee are responsible for ensuring and confirming that the Optionee is a bona fide Employee, Consultant or Management Company Employee, as the case may be.
7. Any options granted to any Optionee who is a Director, Employee, Consultant or Management Company Employee must expire within a reasonable period following the date the Optionee ceases to be in that role (in general, the Exchange considers anything not exceeding 12 months to be a reasonable period for these purposes).

Shareholders will be asked to pass the following, ordinary resolution, approving the Company’s 2016 Plan:

“IT IS RESOLVED, as an ordinary resolution that:

1. The Company adopt a 2016 Stock Option Plan (the “**Plan**”), including the reserving for issuance under the Plan at any time of a maximum of 10% of the issued common shares of the Company;
2. The Board of Directors be authorized on behalf of the Company to make any further amendments to the Plan as may be required by regulatory authorities, without further approval of the shareholders of the Company, in order to ensure adoption of the Plan;
3. The Company file the Plan with the TSX Venture Exchange for acceptance; and
4. Any one director or officer of the Company is authorized and directed to do all such acts and things and to execute and deliver all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to this resolution.”

Recommendation of the Company’s Directors

The directors have reviewed and considered all facts respecting the approval of the 2016 Plan. The Company’s directors unanimously recommend that the shareholders vote in favour of ratifying and approving the 2016 Plan.

An ordinary resolution requires the approval of a simple majority (50% + one vote) of the votes cast at the Meeting, in person or by proxy. **It is the intention of the persons named in the accompanying Proxy, if not expressly directed to the contrary in such Proxy, to vote such proxies FOR the ordinary resolution authorizing the approval of the 2016 Plan.**
